DEPARTMENT OF AGRICULTURE.

Abstract Notification dated 2nd September 1940.

The attention of the public is hereby invited to the detailed notification dated 2nd September 1940, published on pages 1974-1975 of Part VI of the *Mysore Gazette*, dated 5th September 1940, for constructing 10 type deisgn Colony houses on the Irwin Canal Agricultural Colony, Kalamuddanadoddi, Chikarasinkere P. O., Maddur Taluk.

The last date for receipt of tenders is 1 P.M. on 14th September 1940.

T. G. RAMA IYER,
Director of Agriculture.

OFFICE OF THE AGRICULTURAL ENGINEER, BANGALORE.

Notification No. 5 *of* 1940-41, *dated 3rd September* 1940.

Notice is hereby given that sealed tenders will be received at the Office of the Agricultural Engineer, up to 2 P.M. on the 20th September 1940 for constructing a sheep pen on the Hebbal Farm for accommodating cross bred sheep.

2. An approximate estimate of quantities for the above work is given below. The quantities are not guaranteed. The work should be completed within one month from the date of acceptance of tender.

3. Earnest money of Rs. 25 in cash should be remitted under the Revenue Deposits, at the State Huzur Treasury, Bangalore with a challan duly filled in by the tenderer. The tender should be superscribed "Constructing a sheep pen on the Hebbal Farm for accommodating cross bred sheep". The tenders will be opened at 2-30 P.M. on 20th September 1940.

4. Subject to formal sanction of the Director of Agriculture, the acceptance of the tender rests with the Agricultural Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any tender.

5. Within a week of the acceptance of the tender, the successful tenderer will be required to furnish a cash security of 5 per cent of the value of the work and to execute the usual contract bond in default of which his tender will be considered as cancelled and the security forfeited.

6. The name of the successful competitor, whose tender has been accepted will be notified in due course.

7. After the acceptance of successful tender, the earnest money deposited on the refused tenders will be arranged to be returned to the parties.

8. Rates once tendered will on no account be enhanced.

9. Quotations must be written in words as well as in figures.

10. The measurement checked by the Agricultural Engineer will have to be accepted as final.
